Re: WSOU v. Google, Civil Action No. 6:20-cv-00584 (W.D. Tex.)

Dear Jim:

Pursuant to the parties' meet and confer on December 10th and as set forth in Google's responses to Interrogatory Nos. 1 and 13, the Pixel 4 and 4XL are the only "mobile communication devices" that include Soli.

Very truly yours,

Sanjiv Laud
